## \*\* Background Checks \*\*

### **You can't always tell by looking...**

- 50% of all resumes and applications contain false information
- 33% of all business failures are due to employee theft
- 18% of all violent crimes occur in the workplace

### **Can you afford to be wrong?**

Employers who conduct background screening greatly reduce the risk of employee theft, fraud and embezzlement. Background screening may reveal past criminal behavior and save your company thousands of dollars by helping you prevent a bad hire. Additionally, it is important that you protect your employees and clients from sex and violent offenders. Background screening sends a message to your employees, vendors, and clients that you are serious about safety.

America's HR Solutions has an extensive list of screening options and reports for your pre-employment screening.

### **Instant & Affordable**
